

# CPR Course

## OVERVIEW

This course is designed to teach you CPR and other essential first aid skills. The course will be delivered by a professional trainer with extensive industry experience. You will learn the DRSABCD action plan and emergency response, legal issues in first aid, use of automated external defibrillators (AED), and cardiopulmonary resuscitation (CPR). Upon completion of the course, you will be able to demonstrate the practical skills and knowledge regarding all of these topics.

## Entry Requirements

You are required to show identification at the start of the course.

**Duration:** 1/2 day

**Venue:** Work & Training locations state-wide

**Date:** Refer to Course Calendar

**Cost:** \$95

Please BYO morning tea / lunch. Fees to be paid in full prior to course commencement.

## We are based in three convenient locations around Tasmania.

### Hobart

1 Bowen Rd  
PO Box 447  
Moonah TAS 7009

### Launceston

26 Elizabeth St  
PO Box 5500  
Launceston TAS 7250

### Devonport

56 Oldaker St  
Devonport TAS 7310

## Course information

Training will be delivered by one of our professional trainers with extensive industry experience.

The training utilises materials such as PowerPoint presentations, practical tasks, and current industry workbooks.

Assessments will be conducted using a blended approach of online knowledge questions and practical assessment tools.

Students are required to complete online, theoretical questions before the practical class.

This program is nationally recognised, and at successful completion of the program you will receive a Statement of Attainment for:

- HLTAID009 Provide cardiopulmonary resuscitation
- For information around refunds, LLN issues, available support services, possible government subsidies, and all other relevant information, please refer to our student guide handbook – which is located on our website, or can be made available on request.

## Course content

**On completion of the course, participants will be able to demonstrate the practical skills and knowledge regarding:**

- Essential first aid
- The DRSABCD action plan and emergency response
- Legal issues in first aid
- Use of automated external defibrillators (AED)
- Cardiopulmonary resuscitation (CPR)

Work & Training is Tasmania's largest not-for-profit registered training organisation (RTO). Our primary goal is to be the provider of choice for training services in Tasmania – for employers and individuals alike.

We are based in all three Tasmanian regions with offices and specialist training facilities in Devonport, Hobart and Launceston. Our trainers are industry experts with many years of experience in their respective fields combined with strong industry knowledge and relationships.
