

CHC33021 Certificate III in Individual Support (Disability) - MOONAH

This qualification reflects the role of individuals in the community, home or residential care setting who work under supervision and delegation as a part of a multi-disciplinary team, following an individualised plan to provide person-centered support to people who may require support due to disability.

This program is aimed at those who are currently seeking employment as a Disability Support Worker and includes a supported work experience component. Please give your nearest Work & Training office a call to assess your suitability.

Course Information

Training will be delivered by one of our professional trainers with extensive industry experience. The training utilises materials such as power point presentations, paper based resources, current industry workbooks and practical tasks. Assessments will be conducted using work placement diaries, knowledge, case studies, observation and competency conversation assessment tools.

This program is nationally recognised and on successful completion you will be awarded with the qualification:

CHC33021 Certificate III in Individual Support (Disability)

For information around refunds, LLN issues, available support services, possible government subsidies, and all other relevant information, please refer to our student guide handbook – which is located on our website, or can be made available on request.
