

## **CPC20220** **Certificate II in Construction Pathways**

**This qualification provides an occupational outcome and a range of support tasks applicable to the majority of construction worksites.**

### **Course Information**

The qualification has core units of competency that are required in many Certificate III qualifications. The elective options are structured to allow choice from a range of units aligned at Certificate III level and in total could provide meaningful credit in a construction industry Australian Apprenticeship.

Occupational titles may include:

- Builder's labourer
- Construction Labourer

Completion of the general construction induction training program, specified in the Safe Work Australia Model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCWHS1001 Prepare to Work Safely in the Construction Industry meets this requirement.

### **We are based in three convenient locations around Tasmania.**

#### **Hobart**

1 Bowen Rd  
PO Box 447  
Moonah TAS 7009

#### **Launceston**

26 Elizabeth St  
PO Box 5500  
Launceston TAS 7250

#### **Devonport**

56 Oldaker St  
Devonport TAS 7310

## Course Delivery

Classroom-based - 2 days per week for 10 weeks.

## Course Content

This qualification has 15 units, 10 core, 5 electives to complete. On completion, participants will be able to demonstrate the practical skills and knowledge regarding:

- Safe construction work practices
- Construction tools and equipment use
- Planning, measuring and interpreting plans

## Units of Competency

|                    |                                                                              |
|--------------------|------------------------------------------------------------------------------|
| <b>CPCCCM2005</b>  | Use construction tools and equipment                                         |
| <b>CPCCCM2006</b>  | Apply basic levelling procedures                                             |
| <b>CPCCCM2012</b>  | Work safely at heights                                                       |
| <b>CPCCCO2013</b>  | Carry out concreting to simple forms                                         |
| <b>CPCCOM1013</b>  | Plan and organise work                                                       |
| <b>CPCCOM1014</b>  | Conduct workplace communication                                              |
| <b>CPCCOM1015</b>  | Carry out measurements and calculations                                      |
| <b>CPCCOM2001</b>  | Read and interpret plans and specifications                                  |
| <b>CPCCWHS2001</b> | Apply WHS requirements, policies and procedures in the construction industry |
| <b>CPCCCM2002</b>  | Carry out hand excavation                                                    |
| <b>CPCCCM2007</b>  | Use explosive power tools                                                    |
| <b>CPCCCM2008</b>  | Erect and dismantle restricted height scaffolding                            |
| <b>CPCCCM2009</b>  | Carry out basic demolition                                                   |
| <b>CPCCSF2004</b>  | Place and fix reinforcement materials                                        |
